

2011-2012 Leaders Training Schedule

What's a *Drive By* Training

Drive By Trainings are 45 minute trainings which take place on Sunday nights right after Vertical Worship Services about every other month throughout the school year. Please make it a point to mark down these dates and plan to join us. We tackle key topics, have great snacks and promise to be done within 45 minutes. We do ask that all groups be represented at *Drive By* Trainings. Childcare is provided.
